Construction*

Lansing Chapter #177

October 20, 2011

To Whom It May Concern:

The NAWIC Lansing Chapter #177 is proud to send you the documents required for student participation in our 2012 Carleen E. Hallman Scholarship competition. This scholarship award of \$500 up to \$1000 may be given to more than one recipient. Please find our current Scholarship Application and Evaluation forms attached to this correspondence.

Any student enrolled in a construction related program and planning a career in the construction industry may apply. Please distribute copies of the attached information to students that you believe would qualify and be able to utilize this opportunity for financial assistance with their education. Please encourage your students to apply, we have not had many applications in the past few years and would like to help students obtain their goal. A list of scholarship recipients for the past 10 years are listed on our website www.lansingnawic.com along with the dollar value of the scholarship.

The scholarship is due February 28, 2012.

If you have any questions, please contact Heidi Hitz at 517.230.2183 or email hhitz@clarkcc.com. Thank you for your assistance.

Sincerely,

Heidi Hitz, LEED AP, Vice President of Lansing Chapter #177
NAWIC Lansing Chapter, #177
Scholarship Committee Chair
